If you haven't already, stop by to register for your Library card and explore all that we have to offer.

## How Do I Get a Library Card?

# From the Director

Although I love the halcyon days of summer, I also look forward to autumn with the changing colors of the leaves, the cooler evenings that are just right for making s'mores over the fire pit, and the nights starting to draw in for that perfect time to cozy up with a good book.

But before we quite get to that time of the season, September is Library Card Sign-Up Month and our young ones (and older ones!) will be getting ready for another school year. What better way to get ready for school than by signing up for their own Library card? All new cardholders will get a free gift and be entered into a raffle for another fun giveaway! If the applicant is under 18 years of age, they will need a parent or guardian to be present. Whether you're a new resident or new to the Library, we hope to see you soon!

We have a great lineup of fall programs including celebrating Hispanic Heritage Month in September and Polish American Heritage Month in October. We will be showing a spooky movie for adults in October and all ages are welcome to our fun Halloween Costume Party.

Happy Halloween!
