LIBRARY NEWS

From the Director

As summer is upon us, I am pleased to share the many programs and activities our Programming Librarians have planned to make your Library experience even more enjoyable. Our Summer Challenge Kick-Off Event will be held again at Bennett Park on Monday, June 9 from 3:00-7:30pm. Of course, it wouldn't be Summer Reading if we didn't have Rainbow Cone on hand to serve their delicious treats!

Thank you for sharing your feedback in our Community Survey for the 2025-2027 Library Strategic Plan! We listened to your suggestions, and we're excited to announce some new features that are coming your way. We now have vending machines available for your convenience, and we're giving our Youth Services Play Area a fresh new look.

In addition, we are pleased to introduce a 24-Hour Kiosk Library, which we hope to have in place by mid-June. Located outside the main entrance, this kiosk will allow you to access Library resources and services anytime, even outside of regular hours. More details to come on what this exciting new service will offer when the machine is installed!

Whatever your summer plans are, I hope you will find time to stop by the Library, and discover all that we have to offer.

- Maximizing community engagement and responsive Library services
- Optimizing Library spaces for access and comfort
- Fostering a thriving organizational culture

The full Strategic Plan is available at greenhillslibrary.org/about/strategic-plan, where community members can learn more about our specific initiatives.
